

Application for a Certificate of Completion for the University-wide Education Program for those completing the course in September

Students who will be graduating from university or completing graduate school in September 2024 (including those who will withdraw from the doctorate program after completing the course requirements under the program) will be issued with a Certificate of Completion for the programs listed below, if they satisfy all the necessary requirements and complete the required application processes.

- Application Procedure – Apply through UTAS (Click "Qualifications connection" of the "Course" menu, and submit your application from "Application for University-wide Education Program".) Please refer to "Web Application for University-wide Education Program using UTAS")
- Application Period – Tuesday, May 7 to Sunday, May 26, 2024

Important

Even if you apply for a Certificate of Completion in the last academic year or earlier, a certificate will not be issued unless you complete the application in the above-mentioned period. If you wish to graduate/complete graduate school in September 2024, please make sure to complete all the necessary applications this time.

Please note that even if an application is made, if you do not satisfy all the requirements for the program completion or fail to graduate/complete graduate school, a Certificate of Completion will not be issued.

〈To students who have taken courses approved by the Barrier-Free Education Program〉

The Barrier-Free Education Program changed its name to the Diversity and Inclusion Education Program since AY2023. Students who have taken approved courses in the Barrier-Free Education Program should apply for a certificate of the Diversity and Inclusion Education Program.

If a student has earned at least one accredited course in the Barrier-Free Education Program prior to AY2023, the Barrier-Free Education Program can issue a certificate of completion. Details will be provided after the certificate application.
